Parent.com

If you would like to register to receive an electronic version of all newsletters and other information please go to the school's website:

www.highhalstowprimaryschool.org.uk

click on the link to register. You will need to enter your email address and enter *Heron* when requested. You will then receive an email telling you that your registration has been successful.

We do encourage all parents/carers to register as this system of communicating with you has saved considerable numbers of paper copies and time for the administrative staff. It is a good way to receive information and supports our *Green Team* in their quest to reduce the use of paper.

Open Morning

This is a time when you are invited into the classroom to work alongside your child helping you to have a deeper understanding of how and what we teach. Watch out though, you will be expected to join in!

Open Classroom

Once per term your child will invite you into the classroom after they have been seen out at 3:15pm and act as your guide to show you around the classroom. It's a time when you can meet the teacher; see the displays and learning diaries. It is not a time to discuss your child's progress.

PTA

All parents/carers automatically become members of the PTA when your child starts at our school. The PTA organises fundraising and social events for the benefit of all pupils. All meetings take place in school.
